EMPOWER YOUR MEMBERS

Credit unions across the country are recognizing the power of real-time payments. Join the RTP network and give your members faster, more secure transactions—any day, any time.

Last year, Corporate One facilitated the connection of six credit unions to the FedNow® Service, with a growing number poised to join our implementation queue. In addition, we are planning to unveil a FedNow Service by the Numbers infographic in 2025.

¹Statistics based on Eastern Standard Time. All weekend transactions are considered after-hours.
